## Summary

Hello there! I'm Utkarsh Mishra, a passionate web developer specializing in HTML, CSS, and JavaScript. With a strong background in front-end development, I have a deep understanding of building engaging and interactive web experiences. In addition to my technical skills, I am experienced in using various frameworks and libraries such as Bootstrap and jQuery to streamline development processes and enhance productivity. I also keep up with the latest trends and best practices in web development, ensuring that the websites I create are modern, accessible, and performant.
